About FOREST4EU project

A key objective of FOREST4EU, funded by the Horizon Europe program, is to connect these OGs across Europe, fostering synergies and facilitating the exchange of best practices. The project is actively collecting and disseminating valuable information developed by these OGs, creating a central resource for the forestry community.

PARTNERS

Funded by the European Union (Grant n. 101086216). Views and opinions expressed are however those of the authors only and do not necessarily reflect those of the European Union or REA. Neither the European Union nor the granting authority can be held responsible for them.
